Dear Members and Friends

The Lord is doing a new thing at Poplar Grove AME Church! It is astounding what the Lord has done and we are truly excited about the future of Poplar Grove. Although a pandemic was in the forefront, our praise, worship, study, and preaching never ceased. We are grateful we are growing in the Father's grace, wisdom, and knowledge.

The church is at a pivotal point both physically and spiritually. And the word of the Lord for Poplar Grove is to prosper and be in good health. The church has been focusing on our spiritual health, but also needs to focus on the physical health of the church building.

This letter is to solicit your prayers and financial support to make much needed repairs to the church. The Trustees have identified the following long time needed repairs for the church. They include:

- ✓ Repairing the basement due to water damage
- ✓ Renovating the kitchen due to water damage
- ✓ Renovating the sanctuary with new carpeting and pulpit furnishings
- ✓ Renovating the Pastor's Study with new carpeting and update bathroom
- ✓ Renovating the church's two public bathrooms

Therefore, we are launching a Capital Campaign with a goal to raise a \$100,000 to pay for the renovations. Your prayers and financial donations are needed and appreciated.

Donations can be received in three ways:

- 1) In person
- 2) By mail at:
5504 Summit Avenue
Greensboro, NC 27405
- 3) Online at pgame.org, click on the give button and choose Capital Campaign as giving type

You can donate weekly, monthly, quarterly, or make a one-time special donation. We are grateful you are willing to make this additional sacrificial offering beyond your tithe.

Persons making a donation of \$500 or more will have their names included on a Tree of Giving.

We thank you in advance for your donation to support Poplar Grove AME. Many lives have been impacted by the ministry that has gone forth for almost one hundred and forty years and we pray many more lives will be impacted for another hundred years and beyond! Please connect with us via the Church's website- pgame.org or facebook page.
